Javanese Gamelan

Be mesmerised by the courtly sounds of the gamelan of Central Java. Get the full royal treatment at your wedding with our Javanese Gamelan ensemble. We will bless your wedding with ancient songs of love and romance.

Our repertoire includes processional music to mark your beautiful entrance as well as soft romantic music to highlight key points of the wedding such as the cutting of the cake.

Chamber Music

For sweet meditative music to entertain your guests, check out our chamber (*gadhon*) ensemble designed to provide entertainment to wedding guests without disturbing the festivities.

Sundanese Gamelan

Known for its melodious and folksy style, gamelan from the West Java, our 10-12 piece ensemble is also ideal for a smaller stage space for a more intimate setting.
